A Fairplay Community Day is a perfect opportunity for team-building, outreach, and immersion events.

'Give a man a fish and he eats for a day, teach a man to fish and he eats for a lifetime'

Fairplay Community Days are designed so everyone can have a fun-filled and meaningful day celebrating the potential of each person. At Fairplay we believe everyone deserves a chance to stand on their own two feet by learning skills that can help them and their family.

By partnering with us you can have a great day out and make a difference.

Have fun
and give
back to the
community.

COMMUNITY
DAY

The suggested schedule includes a training session in the morning with Payatas FC players and coaches, a friendly tournament in the afternoon, a tour of Payatas and Fairplay's work, and an open buffet lunch at the Fairplay Café.

Match funding provides the opportunity for a company or group to match the donations of their individual members and employees and provide a boost for Fairplay's projects.

This collective goal for the company helps build morale, camaraderie, and improve cooperation in the team.

Fairplay will send three proposals to the interested group to choose from three weeks before the date of the event. These will include such things as:

- Sponsoring a teacher to help out of school kids leave child labour and get back into the classroom
- Support a local mother to be trained at the Fairplay Cafe to support her family and develop nutritious dishes in the community
- Renovate a particular area such as the library or futsal court

Groups and companies who match-fund their employees' events contribute further to levelling the playing field in Payatas, helping kids who truly deserve support.

Groups who match-fund their events can bring their branding, logos, and tarpaulins to post on the Payatas Sports Center for the day. Fairplay will share pictures of the event via our social media accounts, which hold thousands of followers and help further a brand's positive image by showing their care and commitment to the community.
